Grantee Comments:	We have added children - but also dropped children because some families are moving out of the area and some for lack of participation; much of that is due to continued concerns from parents in our area about COVID.						
Early Head Start	Yes	Feb 28, 2021	141	168	Reported	377	512

Grantee Comments:	Our center based slots remain full, even though a few EHS children who are three and ready have moved up to HS. Home based is a challenge. We gain but soon lose home visitors; this hurts recruiting. Also some parents are still rightfully concerned about COVID and do not want visits and some are not good at virtual and end up dropping. We expect this to improve some with spring when staff can do porch visits.
